

Datcha Siberians Contract

Kitten/Cat Purchase Agreement

This contract refers to a purebred Siberian Kitten, sold as pet.

Conditions of the sale contract are as follows:

Purchaser places a non-refundable deposit to reserve a kitten (in the amount of \$300), and pays the remaining amount (\$1000) at the time of kitten pick-up (total purchase price \$1300). Purchaser is responsible for all transportation cost including any special veterinary forms required for transportation. Should the Purchaser cancel this agreement before the cat is delivered, or fail to pay the outstanding balance at the time of the pick up, the kitten may be withheld, or sold to another person, and the Purchaser's full deposit will be retained as a cancellation fee. The kitten is guaranteed to be of sound health upon arrival into Purchaser's care, including up to date vaccinations and a health record.

The kitten/cat has been ID microchipped as well as neutered/spayed prior to leaving the Datcha Cattery Canada. Declawing the kitten/cat is strictly prohibited since it is considered a grave cruelty to animals.

The purchaser agrees to continue to provide needed vaccinations and veterinary care for the lifetime of this pet.

The cat will live as an indoor pet and will not be allowed outdoors unsupervised.

Purchaser agrees to contact the breeder if at any time during the cat's life the Purchaser is unable to keep the cat. This cat will never be placed in an animal shelter.

Our Cattery will accept the return of a kitten within a 10 days period of time. A refund will be provided (minus a \$300 deposit, which is retained by the breeder as an agreed upon "contract-cancellation fee"); The kitten must be returned in a healthy condition. Purchaser agrees to pay veterinary costs if the kitten needs medical attention upon its return. Purchaser also covers all return/shipping costs.

After 6 months of age, there is no money returned.

Our Cattery feeds partially raw diet; however, we leave the options for continuing/or changing the diet with the purchaser.

If this cat is found to be neglected or mistreated, the Purchaser agrees to surrender the cat and all rights to the cat to the Breeder or his representative unconditionally without benefit of refund, or any course of reclaim.

By signing this contract, the Breeder and the Purchaser consider it to be legally binding.
